Re: Brian Jaffari; Case No. 2001480

Dear Mr. Trimarco:

Thanks to your efforts, Mr. Jaffari's case was dismissed by the Ventura County District Attorney's Office on December 3, 2002. Without the extremely high regard in which you are held by all members of the justice system, this result would never have been possible.

Thank you again for a great job!

Very truly yours,

Edward A. Rucker
