Re: People v. Alfredo Esquivel  
Case Number 2002000109

Dear Mr. Trimarco:

Thank you for your help in the above-entitled action. Largely as a result of your efforts we were able to spare Mr. Esquivel a life sentence in prison. Of particular assistance was the presentation you made to the District Attorney's Office regarding the reliability of the polygraph test results in this case. The supervisors of the DA Family Protection Unit and the Investigation Unit both indicated the weight they placed on your evaluation.

I look forward to working with you in the future.

Sincerely,

Randy Tucker  
Deputy Public Defender
