Dear Jack,

On behalf of the American Association of Police Polygraphists, I would like to congratulate you on receiving the 2010 Holly S. Canty Memorial Award. The Holly S. Canty Memorial Award was developed to pay tribute to Holly S. Canty for outstanding leadership and dedicated service to the AAPP. Criteria for this selection include outstanding leadership, service or contribution in furthering the objectives of the AAPP. Nominees do not have to be an association member and selection requires majority vote of the Board.

You were nominated by Secretary Bob Heard and received a unanimous vote by the Board of Directors. The AAPP, along with many others in polygraph, appreciate your efforts to take on those who threaten our profession.

We thank you for all you have done to promote the AAPP and polygraph. I look forward to seeing you next year in Boston!

Congratulations,

Toby McSwain
President, AAPP
