Re: Successful Outcome

Dear Jack:

I wanted to let you know that the polygraph test you conducted of my client a few weeks ago helped us to successfully obtain a declination of any prosecution of our client. As you know, in this case there was not only the normal pressure of a threatened criminal prosecution of an individual for a crime, but the added pressure of the potentially devastating effect on the business future of a fast growing company with hundreds of employees. Your understanding of the case, your ability to properly and fairly test our client on the relevant issue, your willingness to work within a very tight time constraint, and your credibility were instrumental in achieving success.

Thank you for your assistance.

It was a pleasure to work with you and I look forward to the next opportunity.

Yours very truly,

LIGHTFOOT, VANDEVELDE, SADOWSKY
